Step 2:

Then go to Registration Page, you need to give all the details required for creating a Sendgrid account and finally click create button. The below screenshot will show the registration Process.

The screenshot shows the SendGrid registration page in a web browser. The page title is "Let's Get Started" with the subtext "Sign up for free. No credit card required." The form includes fields for "Email Address" (2019cs0097@svce.ac.in) and "Password" (masked with dots). There is a checkbox for "Use email address as username" which is checked. Below the password field is a note: "Must have at least 16 characters." A CAPTCHA section with the text "I'm not a robot" and a "CAPTCHA" button is present. At the bottom, there is a checkbox for "I accept the Terms of Service and have read the Privacy Notice" and a blue "Create Account" button. On the right side, a box titled "Try it out!" lists benefits: "Automated drip campaigns", "Password resets", "Newsletters", "Receipts", "Delivery notifications and updates", and "Promoted emails". The browser's taskbar at the bottom shows various application icons and system status information like "25°C Cloudy" and the date "14-11-2022".

The screenshot shows the "Tell Us About Yourself" page on the SendGrid account setup. The heading is "Tell Us About Yourself" with the subtext "This information will help us serve you better." The form is divided into several sections: "Basic Information" with fields for "First Name" and "Last Name"; "Company Information" with fields for "Company Name" and "Company Website"; "Contact Information" with fields for "Phone Number" and "Email Address"; "What is your role?" with radio button options for "Developer", "QA", "Marketing", and "Other"; "How many domains do you intend to manage?" with a dropdown menu; "How many templates will you create for your company?" with a dropdown menu; and "How many templates will you use for your company?" with a dropdown menu. A blue "Get Started" button is at the bottom. The browser's address bar shows "signup.sendgrid.com/account\_details".

Step 3:

Then it will redirect you to a home page of your sendgrid account. Finally, you have created your account and now you can access the sendgrid account
